

Scholar Academy

Policy: Proper Use of Public Funds and Assets Policy

Adopted: January 26, 2023

Purpose

The purpose of this policy is to establish that Scholar Academy (the “School”) will not misuse its public funds or assets to try to persuade students to enroll in the School or participate in any of the School’s programs.

Policy

The School shall comply with Utah Administrative Code Rule R277-417 regarding providing incentives, disbursements, or equipment to its students or potential students.

The School may use public funds to provide its students with equipment as set forth in R277-417. However, if the School or a third-party provider of the School purchases equipment and provides the equipment to a student or a student’s parent or guardian, the equipment remains the property of the School. Upon receipt of such equipment, the student and the student’s parent or guardian shall take reasonable precautions to protect the equipment. If the equipment is damaged or lost while under the care of the student or the student’s parent or guardian, they may be financially responsible for the cost of repair or replacement.

The School shall use, manage, and dispose of equipment and other assets in accordance with applicable law and rule.
